MARKUS GABRIEL is Chair in Epistemology and Modern and Contemporary Philosophy at the University of Bonn, Germany. He has published seven books and 30 journal articles, principally in German, including Der Mensch im Mythos (De Gruyter, 2006), Das Absolute und die Welt in Schellings Freiheitsschrift (Bonn University Press, 2006) and Skeptizismus und Idealismus in der Antike (Suhrkamp, 2009), and he is also co-author, with Slavoj Zizek, of Mythology, Madness and Laughter (Continuum, 2009). His most recent work is Transcendental Ontology: Essays on German Idealism (Continuum, 2011).

**Intellectual issue to be addressed:** Is the world as such good? The problem of theodicy.
